

REMARKS

Applicants respectfully request reconsideration in view of the amendment and following remarks. The applicants have amended claim 35 in order to overcome the 35 U.S.C. 112, second paragraph rejection.

Claims 35-40 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The applicants have amended claim 35 and believe that claims as amended are in compliance with 35 U.S.C. 112, second paragraph. The applicants appreciate that the Examiner has acknowledged that claims 19-34 are allowable. For the above reasons, the applicants believe that all the claims are allowable.

In view of the above amendment, applicant believes the pending application is in condition for allowance. Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 03-2775, under Order No. 05129-00070-US from which the undersigned is authorized to draw.

Respectfully submitted,

By
